#### The Devon Award

Barbara Endersby lost her beloved Devon in April 2019 and has introduced "The Devon Award" to recognise the perfect partnership between owner & dog. The winner of the Devon Award for 2019 was Ralph Black & Monty. Ralph has been a member for the last 2 years and completed the Diamond Award with Monty just before Christmas. They also do agility together and Ralph is the first to volunteer for any painting or building projects at the Club. Monty has been the perfect companion for Ralph throughout his wife's illness and her sad passing a few weeks ago. They are worthy winners of The Devon Award.

## Diamond Successes

It was a cold, dark evening when the latest batch of Diamond recruits were put through their paces for the Diamond test in December 2019. Thank goodness the Cabin has outside lights – otherwise the examiner would never have seen the dogs doing their Rally,O course, the send away, the stop the dog etc!

The examiner was very impressed with the standard the dogs had achieved, and although the test itself was nerve wracking for the owners they had really enjoyed the challenges of the Diamond Course and are looking forward to Platinum!
